

Friend in Education

We're looking for an outstanding friend in education

Each year the **Valley View Teachers' Association** sponsors the *Friend in Education* award. The winner will receive a plaque and be honored at a VVBOE meeting. In addition the VVTA members invite the winner to attend our May Teacher Celebration to honor their service to our schools.

Any member of the Valley View staff may nominate an individual who has actively supported education in our district during the past two years. To nominate a "friend", please complete the form below. Selection will be based on this nomination.

Criteria: The individual must have made a significant contribution in time, service, and/or resources to the school district. The individual must have made the contribution on a consistent basis as opposed to a one-time effort. This award is open to individuals outside the education community (teachers, administrators, and school board members are not eligible.)

The selection of the recipient of the *Friend in Education* award will be made by the **Valley View Teachers' Association Executive Council**.

Due Date: Please print and return nominations to a building representative by _____.
