PREAMBLE

The Valley View Local Board of Education (hereinafter referred to as the “Board”) and the Valley View Teachers Association (hereinafter referred to as the “Association” or VVTA), enter into this Agreement as hereinafter set forth, based on the respective obligations and liabilities of the parties.

Because of the above, it is understood and agreed that:

- A. The Board of Education, by law, has the final responsibility for establishing policy in the School District.
- B. The Superintendent and his/her staff have the responsibility for implementing the policies established by the Board.
- C. The Board and the Association subscribe to the principle that differences should be resolved peacefully through negotiations and/or the grievance procedure without interruption to the school program.

ARTICLE 1

BOARD RIGHTS

1.01 The Board, by mutual agreement with the Association, commits itself to such Association recognition and other conditions of employment as incorporated in the Agreement; and the Board, on behalf of the electors of the District, retains and reserves unto itself the ultimate responsibilities for proper management of the School District conferred and vested in it by the Revised Code of Ohio and Constitution of the State of Ohio and the United States, including the responsibility for and the right:

- A. To maintain executive management and administrative control of the school system and its properties and facilities, and the instructional activities of its employees as related to the conduct of school affairs.
- B. To hire all employees, and subject to the provisions of law, to determine their qualifications, and the conditions of their continued employment, discipline, or their dismissal or demotion; and to promote and transfer all such employees.
- C. To delegate authority through recognized administrative channels according to Board policy.

D. To determine job schedules, the hours of employment, level of the work force, and the duties, responsibilities, and assignments of employees with respect thereto, and the terms and conditions of employment.

1.02 The exercise of the foregoing powers, rights, authorities, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms thereof are in conformance with the Constitution and laws of the State of Ohio and the Constitution and laws of the United States.

ARTICLE 2

RECOGNITION and BARGAINING PROCESS

2.01 The Board recognizes the VVTA/OEA/NEA as the sole and exclusive representative to the certificated/licensed teaching staff. The certificated/licensed teaching staff as used herein shall include all full-time and regular part-time teachers, tutors, speech and hearing therapists, nurses, counselors, and certified librarians. Substitute teachers, school psychologists, confidential, supervisory and managerial employees shall not be included for purposes of recognition.

2.02 The term “teacher” as used in this Agreement shall include all those certificated/licensed persons over whom the Association has recognition rights.

2.03 **Bargaining Process**

1. Negotiations for a successor Agreement shall begin with a “Notice to Negotiate” filed with the other party to this agreement and with the State Employment Relations Board between March 1 and March 30 (dates may be adjusted if mutually agreed). Following such notice the parties shall meet within ten (10) days, or at a mutually agreed time to determine the dates and ground rules for the upcoming negotiations. Negotiations for the successor Agreement will begin no later than the first full week in May. The parties will meet at mutually agreed upon times. Neither party shall be permitted to bring up any additional issues or proposals following the initial exchange of issues/proposals, except by mutual agreement of both parties.

2. The following alternate dispute settlement procedure shall replace ORC 4117.14(C) (2) through 4117.14(D) (1) as provided for under O.R.C. 4117(C) in the negotiations for a successor Agreement.

In the event agreement is not reached after forty-five (45) days from the onset of negotiations or until the Association and Board declare that an impasse has been reached concerning unresolved proposals under negotiation, either party shall have the right to request the assistance of a Mediator from the Federal Mediation and Conciliation Service (FMCS) and such request shall be deemed a joint request.

The parties agree to meet at the call of the mediator assigned. The mediation process shall last for a minimum of thirty (30) days or until the expiration date of the Agreement, whichever is less. If settlement has not been reached, the Association will have the option of exercising available rights outlines in ORC 4117.14(D) (2).

Both parties agree that this mediation procedure is the final step in the dispute settlement procedure.

- 2.04** Agreement shall be considered reached only upon proper ratification by both the Board and the Association of the terms and conditions negotiated. The tentative agreement will be presented to both parties for a vote within thirty (30) calendar days of the tentative agreement being reached.

ARTICLE 3

ASSOCIATION RIGHTS

- 3.01** Teachers shall have the right to organize, to become members of an association, to choose representatives and to participate in professional negotiations, through said representatives, with the Board or its representatives.
- 3.02** There shall be no reprisal against any teacher by reasons of his/her membership or non-membership in the VVTA or for participation or non-participation in any of its activities. It shall be the responsibility of the Association member to substantiate claims of reprisal with documentation of such within five (5) working days after the alleged incident of reprisal.
- 3.03** The VVTA shall have the right to post notices of its activities and matters of Association concern on bulletin boards in the teachers' workroom or lounge area.

- 3.04** The Valley View Teachers Association will be permitted, with the prior notification to the building administrator, to make brief announcements concerning Valley View Teacher Association activities over the P.A. system.
- 3.05** The Valley View Teachers Association will be permitted, with the prior approval of the administration and with completion of the appropriate forms, to use the school building at reasonable times for meetings provided that when special custodial services are required, the Board shall make the usual charge therefor.
- 3.06** The Association may use the teacher mail boxes/email for communication to its membership so long as the use of such service does not impose additional costs to the Board.
- 3.07** The Valley View Teachers Association President shall be provided an electronic copy of the Board Meeting Agenda and Attachments prior to the Board meeting. If the Agenda and the Attachments are mailed out in advance to Board members, then copies will be provided to the VVTA President at the same time as sent to Board members. A copy of the Board Agenda will be placed in the teacher workroom of each building, at the same time it is supplied to the Association President. The parties understand that this Article is intended to encourage timely communication, and that the failure to provide the Board Meeting Agenda and/or Attachments shall not constitute a basis for invalidating any Board action.
- 3.08** Any Association member may, at any time prior to October 1, sign and deliver to the Board offices an assignment authorizing deductions of membership dues and assessments of the Association (including NEA and OEA). Said authorization will continue year to year unless the member gives written notice of intent to cancel a previously authorized deduction signed by the Association member and given to the Association President and Board Treasurer. The deduction of membership dues shall be made from each paycheck for eighteen (18) pay periods beginning with the first (1st) pay in October of each year. The Association agrees to indemnify and save the Board and/or its representatives harmless against any and all claims that may arise out of or by reason of action taken by the Board in carrying out the provisions of this Section.
- 3.09** The VVTA President shall be furnished, on request and at the Association's cost, if any, all non-confidential documents, reports, and records required to be kept by the School District as a matter of law.

- 3.10** The VVTA President shall be granted a maximum of five (5) minutes on the agenda of the first faculty meeting to greet teachers and invite their participation in Association activities.
- 3.11** At the request of either party, the Administration and representatives of the Association shall meet at a mutually convenient time to discuss mutual concerns and problems. The party making the request will submit an agenda at the time the request is submitted.
- 3.12** The Board shall authorize up to a maximum cumulative amount of six (6) days of absence for the entire association, without loss of pay per year (September 1 – August 31) to teachers who are chosen to represent the Association, or who otherwise participate, at hearings of grievances, unfair labor practices, and fact-finding (under O.R.C. 4117), or who are chosen to serve on programs or in an official representative capacity at NEA or OEA meetings, conferences, or conventions, if such hearings, meetings, conferences, etc. are scheduled during a work day. No more than two (2) teachers may utilize this leave on the same day. The six (6) total days shall be the maximum total days available for all such hearings, programs, conferences, etc., regardless of the number of employees involved. Such leave may not be used for other meetings, conferences, or any other teacher organizations. Such leave may be taken in increments of one-half 1/2 days. As a condition of this leave, a request for use of this leave must be submitted by the President of the Association, to the Superintendent or the Superintendent's designee, not less than five (5) work days prior to intended use. In addition to the foregoing, the Board shall authorize up to two (2) days of absence, without loss of pay, per year (September 1 – August 31) to the Association President(s) for purposes of building visits. Such leave by the Association President(s) may be taken in increments of one-half (1/2) days.

ARTICLE 4

TEACHER CONTRACTS

- 4.01** The regular teaching year shall consist of 184 work days (185 work days for teachers newly hired by the Board).
- 4.02** The regular teaching day shall consist of no more than seven and one-fourth (7 1/4) consecutive hours, inclusive of a thirty (30) minute duty-free lunch.

4.03

Calamity Days

- A. Pursuant to R.C. 3319.08 unit members will be paid for all time lost when students are unable to physically attend their assigned buildings due to a calamity on a day when the member is otherwise scheduled to work (hereafter “Calamity Day”)
- B. During the first five (5) Calamity Days, the Superintendent may require members to work remotely from home. Work may include such non-instructional duties as professional development, planning, grading, conferencing with students/parents, and other activities that fall within the member’s job duties. Up to one-half of a day during each of these first five calamity days may be spent on administrative-directed virtual meetings.
- C. On days six through eight, the Superintendent may require the members to perform the duties in Section B., above and may require members to deliver asynchronous student instruction. This work will be done remotely from home.
- D. Beginning with calamity day nine, the Superintendent may require members to physically report to work, or the Superintendent may allow members to work remotely. If the Calamity Day is due to snow, ice or other dangerous road conditions, teachers will report to work at 9:30 a.m., if asked to do so. Teachers may be required to stay until the normal end of their contractual work day. If a staff member is unable to travel to school, they should notify their administrator and arrange to make-up this time.
- E. Unit members may report to work on remote work days should they elect to do so.

4.04

Teachers having a standard provisional teaching certificate, its equivalent or a higher level of certification or licensure from the Ohio Department of Education, shall be issued individual regular contracts as follows:

- A. Upon initial employment and the succeeding two (2) years, a teacher shall be issued one (1) year limited contract for a total of three (3) one-year contracts.
- B. After three (3) years of continuous employment and thereafter, the Board will offer a teacher a three (3) year limited contract.

- C. If the Board of Education believes that the teacher's performance does not warrant a multi- year contract as required above, the Board may interrupt the sequence of contracts set forth above and issue a one year contract.
- D. Issuance of Contracts: Written contracts shall be issued to each teacher, which will include the following information:
 - 1. Type of Contract (a limited or continuing).
 - 2. If limited, the dates covered by the Contract.
 - 3. Provision for signatures of teacher and Board President and Treasurer, with dates of signatures.
- E. Contract/salary notification will be sent to teachers no later than five (5) working days prior to the first day of school. Issued with the regular contract will be notice of tentative assignment (building, general subject, or grade level).

4.05 The Board may alter the sequence of limited contracts set forth in Section 4.03 above by offering a teacher up to two (2) additional one (1) year limited contracts when a teacher becomes eligible for a three (3) year limited contract. Said alteration shall be based on the recommendation of the Superintendent. A teacher shall be issued no more than five (5) one (1) year limited contracts.

4.06 Qualifications for continuing contract are determined by applicable provisions of the Ohio Revised Code.

A teacher who becomes eligible for a continuing contract at the end of or during a three (3) year limited contract may submit a request for consideration for continuing contract, no later than September 15 of any contract year. Recommendation for such continuing contract may be made by the Superintendent, and a recommendation, if made, may be accepted or rejected by the Board. Any failure to make a recommendation for continuing contract status, or any failure by the Board to grant continuing contract status, shall not be made the subject of a grievance and shall not be processed as such.

Failure to provide this notification may constitute a waiver of any claims, statutory rights, or a continuing contract by operation of law. This provision supersedes and replaces, where applicable, those requirements and provisions of Ohio Revised Code, sections 3319.08 and 3319.11.

- 4.07** Any teacher employed under a supplemental contract will be notified, if possible, by June 1 of each year if the Administration does not plan to recommend employment for the following school year. A posting of known vacant positions will be made by June 15. Postings for supplemental openings shall remain for a period not less than three (3) days.
- 4.08** Teachers entering the Valley View system after July 1, 1988, shall receive a maximum of ten years experience credit on the salary schedule for years of experience in accredited schools based upon their experience. The Superintendent has discretion to grant experience credit on the salary schedule for a new hire that has more than ten (10) years of experience up to fifteen (15) years. Military service may be included as part of the ten (10) years. Teachers having completed college courses which would allow movement from one salary column to another must have verifying documentation submitted to the Superintendent no later than September 15th to receive placement on a higher column for the first semester and by January 30th to receive placement on a higher column for the second semester. Failure to submit an official college transcript by October 15, or March 1, whichever is applicable, will result in the teacher being returned to the previous salary column retroactively.
- 4.09** Teachers who have a position that requires the performance of regular teaching duties for more than the number of days in the regular teaching year shall be paid for such additional time on a per diem rate of their regular teaching salary for the additional days. Said per diem rate shall be based on the salary schedule in effect at the time the service was performed. Said amount of compensation and basis of determination of same shall be a part of the annual salary notification if applicable.
- 4.10** Each K-12 teacher shall be provided a planning time during the regular teaching day. Said planning time shall be for a time equal to a regular period of instruction. Preschool teachers shall have no planning periods four days per week when preschool students attend school. As a result, preschool teachers shall be provided a full day of planning time one day per week. If a calamity day occurs on the day that a preschool teacher is scheduled to have planning time, then the preschool teacher will be compensated for up to four (4) missed planning periods (depending on the number of in-school days for the week) at \$35.00 per hour, with amounts rounded up to the nearest quarter hour. All teachers will be compensated \$35.00 per hour, with amounts rounded up to the nearest quarter hour, if they lose planning time for any of the following reasons: administering standardized tests or mandated screenings, attending IEP meetings, attending 504 meetings or attending trainings mandated by the district.
- 4.11** Termination of a teacher's individual contract shall be in accordance with Section 3319.16 of the Ohio Revised Code.

4.12

If the Board of Education elects to employ individuals who have retired and are receiving benefits through the State Teachers Retirement System, the conditions set forth in this article and only the conditions set forth in this article shall apply to the employment of these individuals:

1. The salary to be paid to the retired teacher shall be set at zero (0) years to no more than ten (10) years on the applicable salary schedule. This provision shall supersede and replace Chapter 3317 of the Ohio Revised Code and any other law of the State of Ohio with which it is in conflict.
2. Individuals employed pursuant to this provision shall be eligible for any of the insurance plans offered by the Board of Education if they request it.
3. Teachers employed pursuant to this provision shall receive one year limited contracts which shall automatically expire at the end of the school year. It shall not be necessary to non-renew these contracts if employment is not offered to the affected teacher for the following school year his/her employment shall automatically be terminated. This provision shall supersede and replace Sections 3319.11 and 3319.111 of the Ohio Revised Code and any other provision of Ohio law with which it may be in conflict.
4. Retired teachers shall not be eligible to receive nor shall they receive continuing contracts regardless of their years of service or license held. This provision shall supersede and replace 3319.11 of the Ohio Revised Code and any other law of Ohio with which it is in conflict.
5. Retired teachers employed pursuant to this provision are not entitled to and are not eligible to receive any severance benefits pursuant to this contract.
6. Retired teachers employed pursuant to this provision shall be the first employees to be laid off pursuant to Article 6 of the contract prior to regular employees of the Board.

ARTICLE 5

VACANCIES AND REASSIGNMENTS

- 5.01** A vacancy occurring during the work year shall be filled on a temporary basis for the remainder of the school year. Positions filled in this manner shall be posted as vacant for the following school year as well as any other vacancies which become known for the following school year. A vacancy that is announced for the following school year will be posted in a timely manner. Notice of vacancies shall be sent via email to all unit members. The notice shall outline qualifications and deadlines for applications. All applications shall be sent to the appropriate administrator. A teacher who is qualified for the position and who submits a written request for an interview shall be granted an interview as long as the time constraints outlined in the announcement are met. Vacancies posted will not be filled until at least five (5) business days have passed following transmittal of email notice to unit members unless otherwise agreed upon by the Association and the appropriate administrator. Teachers who have a written transfer request on file with the Superintendent for the position posted shall be contacted by the Superintendent at the telephone number made available by the teacher for that purpose. If the teacher does not respond to the telephone notification, the position may then be filled in the discretion of the Superintendent.
- 5.02** A reassignment is a change of subject area, grade level or building. Any employee desiring a change in assignment shall request such reassignment in writing and forward such request to the Superintendent. Notice of administrative reassignment will be given to employees as soon as possible. A meeting between the bargaining unit member, receiving principal, and Superintendent will occur before the transfer takes place to discuss a plan of action. The teacher may also request a representative of VVTA to be present at the conference. No bargaining unit member shall be involuntarily transferred to an area outside of his/her licensure.
- 5.03** When administrative reassignment is necessary, volunteers shall receive first consideration. If there are no acceptable volunteers, the principal and/or Superintendent will make a determination based upon the needs of the District, relative proficiency, training, certification (licensure) and seniority. The teacher(s) involved will have an opportunity to discuss the reassignment with the applicable administrator.
- 5.04** The administration shall circulate a planning survey prior to March 1, to allow employees to indicate their interest in any vacancies or reassignments that may occur. This will not be construed to replace the

written request in 5.02 above or to obligate the Superintendent to assign any particular person to an indicated position.

- 5.05** If a transfer/reassignment is made during the course of the school year, the teacher will be provided two (2) business days to affect the transfer/reassignment.
- 5.06** If an involuntary transfer/reassignment to a new classroom or building is made for the beginning of the next school year, the teacher will be provided one (1) day at their daily rate to affect the transfer/reassignment. This provision shall not apply to the opening of any new school building but two workdays (without students) would be allotted for packing, unpacking and organizing rooms.
- 5.07** All newly created bargaining unit positions shall be posted. A teacher who is qualified for the position and who submits a written request for an interview shall be granted an interview as long as the time constraints outlined in the announcement are met.
- 5.08** The Superintendent will discuss the creation of any new building-level administrative position at the regular Association/Administration Committee meetings. A qualified unit member who applies for a vacant administrative position that is not filled by an internal, administrative transfer, shall be granted an interview.
- 5.09** Candidates for open positions, for which unit members may be applying, will be interviewed by a committee. The purpose of the committee shall be to provide input regarding interviewed candidates. A consistent policy governing the composition and purpose of interviewing committees will be implemented in all buildings. An attempt will be made include on the committee unit members who would potentially be working with the candidate. The final decision for filling an open position will be made by administration.

ARTICLE 6

REDUCTION IN FORCE

- 6.01** When, by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, financial reasons, or by reason of suspension of schools or territorial changes affecting the District, the Board decides that it will be necessary to reduce the number of teachers, it may make reasonable reduction. In making such reduction, the Board shall proceed to suspend contracts in accordance with the recommendation of the Superintendent.
- 6.02** The Superintendent shall give ten (10) days advance notice to the Association President of his/her intent to make recommendations regarding reductions in force prior to making any such recommendations to the Board for action.
- 6.03** Natural attrition, meaning resignations, retirements, and leaves shall be considered in achieving any necessary staff reduction.
- 6.04** Reductions needed beyond the number resulting from attrition will be accomplished by suspending contracts then in effect. For each teaching field affected, the order of contract suspension shall be as follows:
- A. Retired, rehired teachers (regardless of final summative evaluation rating);
 - B. Limited contract teachers with an ineffective final summative rating;
 - C. Continuing contract teachers with an ineffective final summative evaluation rating;
 - D. Limited contract teachers with a developing final summative evaluation rating;
 - E. Continuing contract teachers with a developing final summative evaluation rating;
 - F. Limited contract teachers with a skilled or accomplished final summative evaluation rating;
 - G. Continuing contract teachers with a skilled or accomplished final summative evaluation rating;

If a teacher whose contract is suspended due to a reduction in force is qualified for another position(s) in the District, the process set forth in

Section A. through G. above will be repeated. It is possible the process will repeat multiple times until the teacher whose contract is suspended is ultimately determined.

- 6.05** If two or more teachers have comparable evaluations, then the teacher with the earlier date of hire is retained.
- 6.06** Non-renewal of teachers holding limited contracts for any reason other than as outlined in 6.01 above shall not be considered a reduction in force.
- 6.07** For three (3) years following the suspension of his/her contract, a teacher with a final summative rating of developing or better on the recall list shall have the right of restoration of service within the certificated area(s) for which such teacher is qualified. The order of recall shall be based upon the teacher's final summative evaluation rating, if and when a teaching position becomes vacant or is created. Seniority will govern the order of recall when the teachers' final summative evaluation ratings are comparable.
- 6.08** Teachers on the recall list shall keep their current address and telephone number on file with the Treasurer. Teachers who do not respond to a notice of recall within seven (7) days of the mailing of said notice and after a telephone call contact of said notice is attempted at the last telephone number left with the central office by the teacher, that teacher shall forfeit any right to recall under the contract. A teacher notified of recall to a position during the school year may turn down the first offered position without forfeiting his/her right to recall at a later date for the start of the school year.
- 6.09** Annually, in the month of November, the Board will provide the Association President with a copy of the current seniority list of teachers. Said list will include dates of initial continuous hire, and area(s) of certification for each teacher on file with the Board.
- 6.10** Certificated areas must be on record in the teacher's personnel file by March 1 of any school year.
- 6.11** When used in this Article, seniority is defined as years of continuous employment with the School District.
- A. Continuous employment shall include all time on sick leave, all time on Board-approved paid leave of absence, all time on military leave of absence, all time on disability retirement to a maximum, of five (5) years, and all time during suspension or non-renewal for reduction in teaching staff reasons if the teacher is reinstated.

- B. Unpaid leaves of absence shall not constitute an interruption in continuous service. However, the time that the teacher was on such unpaid leave will not be counted in total years of service in determining seniority right hereunder.
- C. Seniority shall be lost when a teacher resigns or leaves the employ of the Board due to non-renewal for non-reduction in teaching staff reasons or termination of contract.
- D. A seniority list shall be established for all current bargaining unit members according to their type of contract (limited or continuing) with their areas of certification and their years of teaching in the district.

Ties in seniority shall be broken as follows:

- (a) date of employment by the Board;
- (b) a flip of coin with the affected parties and the Association President at the flip.

ARTICLE 7

PAYROLL PROCEDURES

7.01 There shall be twenty-four (24) equal pay periods which shall be paid on the fifth (5th) and twentieth (20th) of each month. The first pay for the school year will be on September 5 and the last pay will be on August 20. When a payday falls on a holiday or on a weekend, the pay will be made on the preceding work day.

7.02 Supplemental salaries shall be paid in a lump sum as follows:

| | |
|-------------|------------------------|
| Fall -- | Second pay in November |
| Winter -- | Second pay in March |
| Spring -- | Second pay in June |
| Year Long-- | Second pay in June |

Failure of the unit member to comply with administration's directives to take inventory, return all equipment, and to otherwise complete the close-out process for the supplemental contract may result in discipline and/or Board action to not renew the unit member's supplemental contract.

7.03 The teachers shall be paid by direct deposit. Direct deposit will be made into either a checking account or savings account as designed by each teacher. Notification of payroll deposit shall be made by electronic mail.

7.04 Deductions shall be made for unauthorized absences, federal, state and local taxes required by law, and the teacher's share of the retirement contribution. Deductions may be made upon the request of the teacher for the Teacher's Credit Union, United Way, approved tax-sheltered annuities, professional dues, income protection, political contributions, and health insurance. The Treasurer is authorized to make available all Association dues deductions to the Association Treasurer within five (5) days after such deductions are made. The Association will indemnify and save the Board harmless from any and all claims arising out of dues deductions by the Board in reliance upon authorization presented by the Association.

The Board and its agents shall not be liable for any errors or omissions by the clearing house bank or the depository of said funds.

ARTICLE 8

- 8.03** The teaching staff member shall be provided a copy of the material and acknowledge receipt of a copy of the material by signing the original of the document prior to placing the material in the teacher's file. If the teaching staff member refuses to sign the document, such refusal shall be noted on the material and the original may then be filed in the personnel file of the teacher.

TEACHER PROTECTION

9.01 Complaints Against Teachers

- A. Regardless of what level of a complaint is made against a teacher, said complaint shall be referred to the teacher's building principal. Such referral shall include any complaints made at a public Board meeting. The principal shall immediately notify the teacher in writing that a complaint was made, the nature of the complaint and the identity of the complainant. The complaint may not be disclosed if the complaint is regarding inappropriate contact with a student, bullying, harassment, discrimination or other matters that are to be reported to law enforcement, Children Services or the Ohio Department of Education's Office for Professional Licensure.
- B. Action regarding a complaint shall proceed through the following steps:
 - 1. If requested by the complainant or the teacher, a meeting involving the teacher, the principal and the complainant will be arranged at a mutually convenient time to discuss the complaint. If the complainant refuses to meet, such fact shall be documented and conveyed to the teacher in writing. This procedure shall not apply to complaints of inappropriate contact with a student, bullying, harassment, discrimination or other matters that are to be reported to law enforcement, Children Services or the Ohio Department of Education's Office for Professional Licensure.
 - 2. If it is not resolved at that level, it may be appealed to the Superintendent of Schools or his/her designee.
 - 3. If it is still unresolved, it may be appealed to the Board of Education.
- C. In each of the steps above, the teacher, the parent, the principal, the Superintendent or his/her designee, or the Board of Education may request, and be accompanied by counsel and/or a representative of his/her choosing. Conferences regarding such complaints shall be in private.
- D. Anonymous complaints will not be made a matter of record.

9.02 Student Discipline

The Board will implement procedures to notify teachers of the building administration's response to a teacher's disciplinary removal of a student from the classroom.

9.03 Respect

The Board has adopted policies and administrative guidelines that provide protections to teachers who believe they have been subjected to a hostile or offensive work environment, discrimination, unlawful harassment and other forms of misconduct. Such policies and administrative guidelines may be accessed online at www.valleyview.k12.oh.us.

9.04: Progressive Discipline

To ensure consistency, no bargaining unit member shall be disciplined without just cause. Discipline of bargaining unit members shall include the following steps. However, it shall be the administrator's decision at what step to begin, if the nature and severity of the misconduct warrants it.

1. Informal Procedure - most cases will be disposed of by an informal verbal warning without formal disciplinary action. Documentation of a verbal warning may be memorialized in a document maintained by the building administrator. The member shall be provided a copy of the documentation of the verbal warning if/when such document is created by the building administrator. This document shall not be included in the unit member's personnel file.

2. Formal Procedure –
 - a. Formal disciplinary action shall be commensurate with the employee's offense. While this may mean termination, it may also mean imposition of discipline short of termination, or if appropriate, the repetition of lesser discipline without progressing to the next step. The provisions of this article shall not preclude the Board of Education and administration from imposing disciplinary action less severe than immediate discharge or immediate suspension, if in the exercise of discretion, such action is warranted by the facts and circumstances of a case.

 - b. While a building principal may issue a verbal warning or written reprimand, only the Superintendent shall have authority to suspend a bargaining unit member.

- c. The Steps of the Formal Procedure:
 - 1) First Step – written reprimand;
 - 2) Second Step – suspension(s) with or without pay. A disciplinary suspension shall be memorialized in a written document identifying the grounds for discipline, which shall be provided to the member;
 - 3) Third Step – termination.

3. Due Process Procedure –

Except in cases requiring immediate suspension, no bargaining unit member shall be disciplined without first having been given due process in accordance with the following procedures:

- a. Notice of allegations and conference. Prior to the discipline conference, administration will provide the unit member with notice of the allegations which, if substantiated, could result in disciplinary action. The notice shall include the time and place of a conference to discuss the allegations and will make clear that there is a possibility of disciplinary action.
- b. Conference. Administration will attempt to address discipline of a unit member in a timely manner while taking into account the time needed to conduct a fair investigation into allegations of misconduct. The conference to discuss the allegations shall be attended by the bargaining unit member and, upon request, by a VVTA representative. Unless the unit member and administration agree otherwise, the conference shall be held no sooner than twenty-four (24) hours following communication of the notice of the allegations.
- c. Notification of Disposition. The bargaining unit member shall be notified in writing and in person of the disposition of the matter. A unit member may bring a VVTA representative to this meeting. The Association President will receive a copy of any written discipline on or around the same time such discipline is given to a unit member. If a determination has been made to take disciplinary action, the notice of disposition shall include the disciplinary action to be taken and the reason for the action.

- B. If the Board administrators named herein to administer this grievance procedure should fail to answer any grievance within the time limits established, then the grievance shall be advanced to the next Step. Any grievance not referred to the next Step will be considered to be a termination of the grievance.
- C. Grievances and all related correspondence and documentation will be retained separately from a grievant's personnel file. Only notations regarding a grievance settlement which require a change to an entry or record in a personnel file may be attached to that item in the file.
- D. Copies of grievance forms will be made available in all building principals' offices, and supplied on request to individuals or the recognized teacher organizations.
- E. No censure or other adverse action will be taken against any grievant or administrator participating in this grievance procedure.

Should the unit member separate employment while still owing the Board advanced but not earned sick leave days, then the Board shall deduct the remaining balance owed from the unit member's final paycheck. Further, the Board may pursue an action against the unit member should the Board be unable to recover these amounts through payroll deduction.

It is the responsibility of the evalutee to collect the data, artifacts, or records to be discussed during the thirty-minute discussions/conversations. The evaluator will also collect data for the discussion whenever possible. The Association would approve any specific evaluation instrument that the administration develops for the deans. The evaluation rating as a dean shall not affect their employment as a teacher.

Compensation

Compensation for days worked during contractual year as follows:

Deans employed at the secondary level – Category 3 on Extra Duty Salary Schedule

Deans employed at the elementary level – Category 8 on Extra Duty Salary Schedule

RIF & Reassignment

For purposes of a reduction in force, a TOSA and Dean of Students will maintain the most-recent final summative evaluation rating that they received as a classroom teacher prior to their assignment to serve as a TOSA/Dean of Students.

Management maintains the right to discontinue a TOSA/Dean of Students position, at any time, and for any reason, and such decision shall not be subject to the grievance-arbitration procedure of the Master Agreement. If the performance evaluation of a TOSA/Dean of Students reflects deficiencies in job performance, administration retains the right to reassign the TOSA/Dean of Students to a position for which they are certified, and such action shall not be subject to the grievance-arbitration procedure. If the reassignment of a TOSA/Dean of Student results in the need to reduce force, the RIF procedures of the Master Agreement will be applied to identify the member(s) whose contract may be suspended due to the reassignment of a TOSA/Dean of Students.

27.15 Gifted Collaboration

When homerooms are created in which gifted identified students will be placed, there will be reasonable effort to get the input of the appropriate teachers regarding the makeup of the classes. A meeting may be requested by the affected teachers and the building administrator regarding the makeup of gifted classes.

27.16 **Training for Teaching Students with Trauma**

In order to ensure staff is well prepared to serve the growing and diverse trauma-based needs of the student population, opportunities for training will be made available to the teaching staff.

27.17 **Choosing Stipend-based Committees**

Leadership Team Committees

There will be a fair and transparent process in determining the staff members chosen for the District Leadership Team or Building Leadership Team. This shall include an application process approved by the Association. There will also be a reason given to any staff member who is not chosen for the committee work. Each committee will include at least one member appointed by the Association.

Every two years the makeup of the leadership teams will be addressed with the Association. If it is determined there needs to be an opportunity to create space for new membership, then the application process will be reopened. Any member will have the opportunity to reapply for another term and be considered along with other applicants who choose to apply.

For any committees created in the future to influence the work of the school district, Administration will collaborate with the Association to determine appropriate criteria for serving on the committee.

27.18 Employees participating in the development of curriculum for a newly formed elective or course shall be compensated for their work. This compensation will equal two (2) days of the teacher's daily rate.

ADDENDUM B

EXTRA DUTY SALARY

Effective July 1, 2019

The extra duty salary for the listed positions shall be determined by multiplying the appropriate experience index times the beginning Bachelor's base. The Board shall annually determine the number of coaches or advisors for each activity.

Head coaches will be granted applicable assistant coaching experience on the salary schedule. Teachers new to a position may be credited with extra duty experience as determined by the Superintendent.

When there is a need for a new extra duty position, as determined by the administration, the Superintendent will recommend to the Board the creation of the position and appropriate category for salary purposes. The Superintendent will consult with the Association before determining the appropriate salary category.

Extra duty positions are offered on a contingent basis. This means the Board has the right to not field a team, club or other pupil activity program; to not participate in any tournament or event; and to otherwise forego activities underlying an extra-duty position on a case-by-case basis. The Board retains the right to cancel any extra duty contract prior to the start of mandatory practices, or in the case of non-athletic pupil activity programs, prior to the first day of student participation.

The Board is also permitted to prorate the payment of any extra duty contract on a case-by-case basis if: (a) the schools of the District are closed due to order and/or recommendation of the Governor, the Ohio Department of Health, or any other governmental and/or administrative agency with authority over the schools of the District; or (b) the season for the sport, club or other pupil activity program is interrupted, suspended, shut down, or there is another similar reduction in the responsibilities for an extra duty contract after the activity has begun. This proration will be equal to the portion of the contract duties already completed at the time of such reduction as informed by, for example, the number of practices, games or performances already completed. The Board's determination of this proration is final and not subject to the grievance procedure.

ADDENDUM D

PROCESS/PROCEDURES ON ANNUITIES/CUSTODIAL ACCOUNTS

1. General Statement

Individual contract annuities and custodial accounts embodying the “tax sheltered” benefits of Section 403(b) of the Internal Revenue Service Code of 1954, as amended, may be purchased for employees if the following conditions are met:

- A. Companies have been approved by the Valley View Board of Education and authorized to sell such contracts in the State of Ohio.
- B. Companies have agreed to comply with administrative rules and procedures for tax sheltered annuities and custodial accounts issued by the Valley View Board of Education.
- C. Companies have contracted at least 1% of the number of full time employees (2 employees) according to Am. H.B. 805 (effective August 9, 1982), which states that a school district is authorized to require new companies to have at least 1% of the Board’s full time employees or 50 (whichever is less) in order to be approved as a tax-sheltered annuity or custodial account carrier.
- D. Companies have submitted a Maximum Allowable Contribution (MAC) calculation with each Salary Reduction Agreement.
- E. R.C. 9.91 – The employee has the right to designate the licensed agent broker or company through whom the Board shall arrange for the placement or purchase of said contract.

2. Salary Reduction Agreement

Each employee wishing to participate in the program must execute a Salary Reduction Agreement, thereby reducing the annual salary and authorizing the amount of reduction to be used to purchase an annuity and/or custodial account. There are three copies of each Agreement, to be filed accordingly: Blue – Treasurer; White – Insurance or Investment Company; Pink – Employee.

Each Agreement must be submitted to the Treasurer for processing. Upon completion, the white copy will be forwarded to the company and/or its representative.

3. Maximum Allowance Contribution Calculation

In addition to the Salary Reduction Agreement, a calculation form indicating the maximum allowance of the employee’s salary must be submitted in accordance with

IRS Code, Section 403. In the event that an employee chooses a “Special Option”, a calculation form detailing the determination of the special amount must be submitted. The responsibility for the proper calculation is that of the employee, and, accordingly, all calculations must be signed by the employee and company representative. Companies are to provide such forms. Companies shall annually review the exclusion allowance for each policy holder to determine that the premium continues to be fully excludable from current taxable income.

4. Annual Premium

Premiums will be limited to a minimum of \$25.00 per payroll for 24 payrolls, \$600.00 annual minimum. If an annual premium is not divisible by 24 to an exact cent, the remaining cents will be waived and will not be deducted or remitted by the Board of Education.

No premiums or part thereof shall be used for any purpose other than the purchase of deferred annuity and/or custodial account.

NOTE: CONTRIBUTIONS IN EXCESS OF THE IRS LIMITATION WILL NOT BE ALLOWED THROUGH PAYROLL DEDUCTION

5. Premium Payments

Premiums will be derived from salary reductions providing for twenty-four (24) payments. Remittances to the company will be made on the date of the payroll. Premiums shall have precedence over all other claims against salary except retirement contributions, taxes, and other mandatory deductions.

6. Cancellations

The payroll deductions for a tax-sheltered annuity and/or custodial account may be cancelled anytime during the calendar year. Written notification from the employee is required to effect the cancellation. It is the responsibility of the employee to notify the Company of such cancellation.

7. Employee Contact

Companies and/or representatives may not conduct business with employees during working hours.

8. Distribution of Materials

No company materials will be distributed during the teacher workday.

10. The Association and its members shall completely defend, indemnify and hold harmless the Board, its Superintendent and its Treasurer from any and all liability, costs and expenses which are in any way related to any such tax-sheltered annuities and/or custodial accounts – including any liability, costs and expenses that may arise due to the failure or default by any company providing such annuities or accounts.

In addition, each company involved in the issuance of tax sheltered annuities and/or custodial accounts shall be required to execute an agreement protecting the Board, its Superintendent and its Treasurer as set forth in O.R.C. 9.91.
